

# Swarf Cocktail Table

Re-purposed Industrial Scrap Table

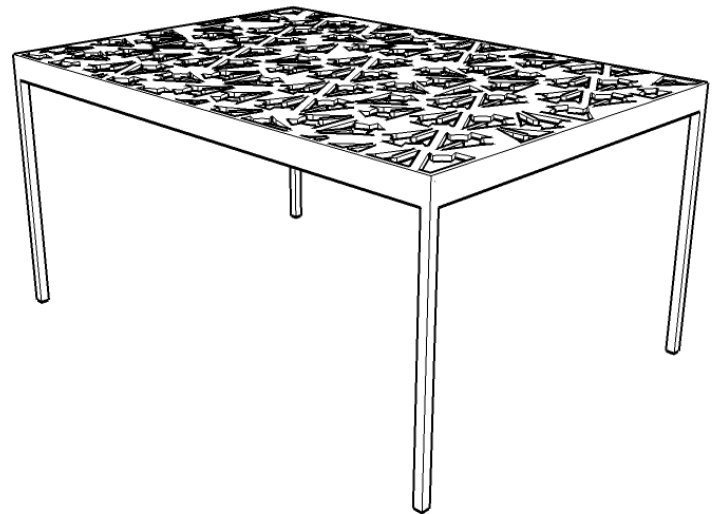

The Swarf Table is truly green furniture. Made from salvaged, laser cut, steel sheet drops. These are re-purposed for the beautiful and interesting patterns created accidentally from the industrial process. Each table is unique and sizes will vary.

*Swarf are shavings and chippings of metal—the debris or waste resulting from metalworking operations.*

## Features

- Open, industrial patterned top
- “Green” Furniture
- All steel construction
- One-of-a-kind by nature (patterns will vary depending on availability)
